## A SPIRITUAL DROP FROM OUR PASTOR

### THIRTY-THIRD SUNDAY IN ORDINARY TIME

Unfortunately evil exists, it is real. The devil's main trap is to make us believe that he does not exist in order to keep us involved in the deception that bad things are good, however the truth is that Satan exists and wants to destroy the plan of love that God has prepared for each one of us. But the great good news is that God also exists and is more powerful than Satan. This is precisely the source of his anger because he knows that he was defeated by the love of Christ on the cross. Let us be very careful to not open doors where the devil can enter our lives – such as pornography, quarrels in the family, laziness, worship of money, consumerism, materialism, prayerless life, selfishness, etc... As St. John of the Cross says, "let us rise above sin with the wings of love". Only love overcomes evil even if it seems very powerful. Do not be afraid because evil always destroys itself and God is taking care of you every second of your existence.  
God loves you with infinite tenderness. Happy Sunday.

Desafortunadamente el mal existe, es real. La trampa principal del demonio es hacernos creer que él no existe para mantenernos envueltos en el engaño de que las cosas malas son buenas, sin embargo la verdad es que Satanás existe y quiere destruir el plan de amor que Dios tiene preparado para cada uno de nosotros. Pero la gran buena noticia es que Dios también existe y es más poderoso que Satanás y éste es precisamente su enojo porque sabe que él fue vencido por el amor de Cristo en la cruz. Tengamos mucho cuidado de abrir puertas donde el demonio puede entrar tales como la pornografía, los pleitos en la familia, la pereza, la adoración al dinero, el consumismo, el materialismo, la vida sin oración, el egoísmo, etc... Como dice San Juan de la Cruz "elevémonos sobre el pecado con las alas de amor". Solo el amor vence el mal aunque éste parezca muy poderoso. No tengas miedo porque el mal siempre se destruye a sí mismo y Dios está cuidando de ti cada segundo de tu existencia.

Dios te ama con ternura infinita. Feliz Domingo.

The Annual Bishop's Appeal is an opportunity to answer God's call to discipleship by supporting His work throughout our diocese.

Your gift has a two-fold effect: it supports the work of diocesan services, ministries, and programs, and offsets our parish goal. Any overage will stay in the parish. If we do not make our goal, we are responsible for paying the difference out of our operating costs. Please prayerfully consider how you may be able to support the work of the Church through our parish and our diocese.

### Franciscans of Mary Missionaries of Gratitude

The Franciscans of Mary are organized in two levels: the laity and the consecrated persons. Each one of them has a structure and different commitments, although all are participants of the same vocation: to love and make Love be loved, to love God who is Love. The mission of the Franciscans of Mary is to live and spread the spirituality of gratitude, helping everyone to understand that this is the heart of the Gospel, what God expects and has the right to find in the heart of the Christian.

## Winter COAT DRIVE

Every Year, Catholic Charities gives out free coats to families in need. If you know of someone living in Steuben, Noble or LaGrange counties who needs a coat for the winter—adults or children—contact the Northern Indiana Regional Office of Catholic Charities at 260-925-0917.

If you would like to donate a clean coat, you can bring it to  
**ST. ANTHONY CATHOLIC CHURCH**  
(located in the Connector, inside main office entrance at the top of the stairs) or  
**ST. PAUL CHAPEL**  
(located in the Community Room)

For more information contact Nanette Stoops at 574-536-6904.  
Deadline for donations is December 31, 2024.

We will once again help support local school children by collecting **NEW OR USED HATS, MITTENS, GLOVES & LIP BALM** along with other area churches. Please drop off your donations in the box on the table in the “connector” inside the parish office doors **now through DECEMBER 9.**

In the Gospel, Jesus tells us: “You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength...and you shall love your neighbor as yourself.” (Mark 12:28b-34)

Through your giving to the Society of St. Vincent de Paul—Steuben Co. you can show your love for our Lord and your love of your neighbor who is hungry, hopeless, alone and frightened. In October your local conference volunteers took over 26 calls, with our conference helping 13 households or 27 people directly. What happens to the others? Often, we help them find the support they need from other agencies who work in North East Indiana.

Want to find out more? Contact Annette at [acalloway345@gmail.com](mailto:acalloway345@gmail.com)  
**Thank You! Your giving really brings the Gospel to life.**

THANK YOU FOR YOUR CONTINUED SUPPORT TO ST. ANTHONY CATHOLIC CHURCH AND ST. PAUL CHAPEL. WITH OUR EFFORTS TO MAINTAIN AND UPDATE OUR PARISH FACILITIES WHILE BEING GOOD STEWARDS OF THE DONATIONS RECEIVED, I WOULD LIKE INCLUDE EACH OF YOU IN THE PROCESS BY INFORMING YOU OF PROJECTS THAT HAVE EITHER BEEN RECENTLY COMPLETED OR WILL BE COMPLETED IN THE NEAR FUTURE. - FR. OSMAN RAMOS

## CLASSROOM A/C REPLACEMENT AT ST. ANTHONY ESTIMATED \$25,455

In 2023, we repaired our 30+ year old classroom unit for the last time with hopes it would make it through a couple more years, unfortunately that did not happen. In February 2025, we will apply for a parish in need grant for replacement from the diocese of Fort Wayne-South Bend. Project Leader: Business Management Office

## HISTORICAL WALL AT ST. ANTHONY TOTAL \$3,554

To commemorate the 100th anniversary of the first Mass at St. Anthony of Padua Catholic Church, we will present a History Wall in the connector. The wall will include pictures of each Pastor over the years and the many events held at the parish. This project is funded by the Altar and Rosary Society. Some details still to be completed. Project Leader: Marilyn Karpinski

## FRONT DOOR REPAIR AT ST. ANTHONY TOTAL \$7,947

If you have noticed when entering the main church that our front doors have been tough to shut and in need of repair the last couple of years, you may have also noticed that they are now fixed! This was paid for by the church, approved to be budgeted by the finance council. Project completed.

## OFFICE UPDATE AT ST. ANTHONY ESTIMATED \$15,000

When the Parish Center was built in the 80's, we weren't certain of exact plans of the future, which included building a new church & connector. Once that was completed in 2010 & 2011, the entrance to the parish office became unwelcoming. The office updates have begun with the help of volunteers, some painting, windows in office doors, new carpet in 1 office, & converting hallway to file room. We will relocate the entrance door at the stop of the stairs inside and create a new waiting room for our parishioners and visitors to feel more welcome. The Finance Council approved \$10,000 for the updates the remaining will be paid from an anonymous donor. Project Leader: Bob Schenkel

## RECTORY PRIVACY FENCE TOTAL \$4,150

As you know, our priests live in the Rectory at St. Anthony and as much as they enjoy seeing our parishioners and visitors, they also enjoy their privacy while they have down time at home. The previous fence did not allow for much "privacy" and new one recently installed gives them comfort in their backyard. This project was budgeted for this year. Project completed.

## RECTORY KITCHEN UPDATE ESTIMATED \$15,000

Over the last several years, the Rectory has been updated to accommodate our priests on a very minimal budget. One room that is need of an update at this time, is the kitchen. This will include the installation of a hood vent, counter tops, lighting, flooring, and painting. The project is funded by an anonymous donor. Project Leader: Bob Schenkel

## FATIMA PRAYER GARDEN ESTIMATED \$32,300

This is a project that has been in the works for many years, seed planted by a beloved former Altar and Rosary Society member and parishioner. This garden will have life-size statues of Our Lady of Fatima and three seers, Lucia, Francisco & Jacinta, for all to come and pray to. The project is funded entirely by private donors. Project Leader: Bob & Rosanne Johnson

## SACRISTY REMODEL AT ST. PAUL TOTAL \$11,840

The work sacristy and the priest sacristy were combined as one room for all to get ready together. This being an issue with safe environment policy as our priests strive to follow guidelines and keep a separation between them and our young volunteers. We have now created a separate room for both. The remodel was approved by the Finance Council and paid for out of the savings account with the approval of the diocese. Project completed.

## AUDIO SYSTEM AT ST. PAUL TOTAL \$33,468

A few months ago, a sound engineer gave their diagnostics of St. Paul's audio system and the conclusion came back, not only did we need to update the outdated amplifier and mixer, but also the microphones and speakers. It was also decided to install a Hearing Aid Assistance system at the same time. This project was approved by Finance Council and paid for from the savings account with the approval of the diocese. Project completed.

## AUDIO SYSTEM AT ST. ANTHONY ESTIMATED \$32,000

Unfortunately, since we have built our Church in 2010, we have had 2 audio system updates to help better the sound quality. After recently having a pre-commissioning done of the current system and a sound engineer diagnosis done, we feel confident this will be the last update needed, unless it's to update outdated equipment. We will add 2 more hanging speakers on the south side near the choir loft and last section, plus update the current outdated subwoofer, processor, receivers and mixer. We will also install the highly requested Hearing Aid Assistance that has Wi-Fi capability. The Finance Council has approved \$10,000 & Altar & Rosary has donated \$10,000 for the project. We would like to ask for donations to help fund the remaining balance. Please see Katie Waltke in the Parish Office for more information. Project Leader: John Peters

## ROOF PROJECT AT ST. ANTHONY'S BUTLER BLDG ESTIMATED \$75,000

We understand many of you are anxious for us to replace the roof on our former church and we appreciate your patience as we work with our new Building Committee to get this project underway. We will be installing a new steel roof and replacing insulation inside. You can read more information about the plans in the September 15th bulletin on our website. This project will be funded by a grant received for \$30k, \$10k donated from Altar & Rosary and \$10k donated by the Knights of Columbus. The remaining balance will be paid for out of our savings account. Project Leader: Bob Schenkel More info >

## ROOF PROJECT AT ST. PAUL TOTAL \$130,951

After a hailstorm in 2023, our insurance company ruled that the roof at St. Paul Chapel is a total loss. After working with several contractors and the diocese, we will finally begin the process of replacing the shingled roof with a steel roof this fall on the church and garage. While the contractors are here, we will also insulate the crawl space. This project is mostly funded by the insurance company and the Finance Council approved the remaining balance to be withdrawn from the savings account with the approval of the diocese. Project Leader: Diocese Building Committee

## ADORATION CHAPEL AT ST. ANTHONY ESTIMATE TO BE DETERMINED

The daily chapel at St. Anthony has been rarely used as we now hold daily Mass in the main Church. We are now planning to make some renovations to have an Adoration Chapel to which parishioners will have 24/7 access with a key authorized by the Pastor! The project is funded entirely by donors. Project Leaders: Ken & Janet Rauch

## St Anthony of Padua Building Committee Update

Greetings to all: I'm Bob Schenkel and I have been asked by Fr. Osman to chair the Building Committee here at St. Anthony of Padua.

The Building Committee is made up of the following parishioners:

Keith Geise	Tim Glasper
David Haluch	Buddy Pawloski
Mark Preuss	Shelley Pulver
Ted Pulver	Ken Schneider
Steve Schneider	Ken Wilson

*We welcome more parishioners to join the committee.*

Many are anxious to know how the roof issues of the Parish Hall will be addressed and what you can expect. The Building Committee will be taking a two-phase approach addressing the needs for the Parish Hall.

### Phase 1

The existing roof in all reality, sadly reached the end of its service life some time ago. Putting the building into a water-tight condition is paramount. A specification has been created to solicit bid proposals from three established commercial roofing companies. The specifications will ensure that St. Anthony's receives three comparable bids and awarded to the low bidder. It is our goal that a new roof will be installed before the end of the year 2024.

### Phase 2

Phase two will involve the renovation of the Parish Hall as planned and presented in 2019. It has long been the hope that this renovation will provide a parish community center to provide the many parishioners an area to hold the many parish functions that occur sometimes weekly and monthly throughout the year. The architectural plans for this renovation were completed in 2019 and for the most part fulfill these needs. The Committee will explore, along with Fr. Osman, Committee recommendations to amend the plans for any enhancements needed. Fr. Osman would like to see the renovations to be completed by early 2027. This is an ambitious, but achievable goal, with more information forthcoming, once established and recommended by the Building Committee.

I ask for your thoughtful prayers while these initiatives are undertaken.

Bob Schenkel

Building Committee Chairman
