## SPIRITUAL ADOPTION PROGRAM

### MONTH 3 - Developing Baby -- "I can suck my thumb!"

Your baby is quite active in the womb now - - although his mother won't feel him for another couple of months. If his mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move his tongue. He can make a tight fist if you touch his palm. He is breathing amniotic fluid which continues until birth, although he obtains the oxygen his body needs through the umbilical cord. The baby you are praying for weighs one ounce. Early this month - at just 9 weeks - he began to suck his thumb.

**Tercer mes** -Desarrollo del bebé- *"¡Puedo chuparme el dedo!"* Programa de Adopción Espiritual  
Ahora su bebé espiritual está muy activo en el vientre. Sin embargo su madre no lo sentirá sino hasta después de un par de meses. Si el vientre de su madre tuviera una ventana, usted podría mirar a su bebé espiritual parpadear, tragar y mover su lengua. Si toca su palma el puede hacer puñete. El respira el líquido amniótico hasta que nace, sin embargo el bebé obtiene el oxígeno que su cuerpo necesita a través del cordón umbilical. El niño por el cual esta rezando, pesa ahora una onza. Al comienzo del mes solo a nueve semanas comienza a chuparse su dedo.

### THANK YOU!

The Booster's would like to express how grateful they are for the excellent turn-out at last Friday's Fish Fry! They served 285 dinners (new all time high)! Unfortunately, they ran out of fish by 6pm, but will be adjusting quantities to make sure everyone is accommodated on March 15 & April 12. With high numbers expected again at the next two fish fry's, we would like your help! Additional volunteers to help work if you're available. They would also appreciate some additional donations, of desserts. Everyone always raves about the delicious assortments of cakes, cookies and pies, that are available, so any help you can give, would be great!
