SPIRITUAL ADOPTION PROGRAM

DAY 1—Developing Baby—”I’m here!”

At the moment the father’s sperm and mother’s egg unite a new unrepeatable human being comes into existence, complete with his own unique set of DNA. Although she is only one cell, everything about this little person is only one cell, everything about this little person is already present: color of eyes, blood type, the height she will grow to be, color of hair-everything! She will play a role in her family and her community—a role only she can play! Nothing is added after conception to make her a complete human being. She already exists; all she needs is nourishment, a safe, warm environment, and most of all—love. Her parents don’t even know she exists yet. Pray for them to safely bring their baby to birth so she can fulfill the mission God has for her.

Dia 1

“!Hola, aquí estoy”!

En el momento en que el óvulo de mamá es fecundado por el espermatozoide de papá, comienza me vida como un ser humano, única e irrepitible: ¡yo! Ya tengo mi propia secuencia de ADN, contenida en los cromosomas que están conmigo desde el primer día de mi vida, que son exclusivamente míos y que no cambiarán jamás. Igualmente, mi sexo se determino desde el principio de mi existencia, ¡QUE MARAVILLA! Comienzo este maravilloso viaje, como una sola célula, que se mueve por las Trompas de Falopio hasta encontrar una maravillosa acogida en el suave seno de mama. Allí me nutriré por aproximadamente 9 meses, pero mi viaje no terminara con me nacimiento, continuara por anos y décadas. A través de la historia de mi vida, habré de desarrollar un papel dentro de mi propia familia y mi comunidad, una misión específica que únicamente yo podre realizar. Solo necesito tiempo, alimento, y sobre todo mucho AMOR.

REMEMBER TO RETURN YOUR BOTTLES BY FEBRUARY 11TH!
