

## Faith Sharing Communities Sign-up

A Faith Sharing Community is a small group of 8-12 adults (couples can participate together) who gather regularly (usually 12 meetings a year) to connect their faith with everyday life. At these gatherings they follow reflection materials that includes prayer, reading and faith sharing conversation.

St. Anthony has groups ready for new members and new groups are forming. The communities meet on all sorts of schedules to make this process work for everyone. By filling out this form, we can find the right group for you.

*Please consider making this part of your life.*
